

TART CHERRY CAKE

INGREDIENTS:

One Package yellow cake mix (pudding-type) oil, eggs and water are called for on cake mix package. (Pillsbury Moist Supreme Classic Yellow) recommended.

One pint jar tart cherries

Powdered sugar

PREPARATION:

Prepare cake mix according to directions, using oil, eggs, and reducing the water to 1/2 cup. Spread batter into a greased and floured 13/9/2 inch baking pan. Spoon tart cherries evenly over the batter. Then sprinkle two tablespoons tart cherry juice evenly over cherries. Bake cake at 350 degrees for 40 minutes, until cake bounces back when lightly touched. Cool and sprinkle with sifted powdered sugar. Cherry cake serves 12.
