

## WINESAP

**USES:** *Great for cider, good for snacking; baking and cooking.*

**FLAVOR:** *Juicy, wine-like flavor; somewhat tart.*

**CHARACTERISTICS:** *a tough course yellow and deep red skin with yellow flesh that has red tinged veins; stores and freezes well.*

**RIPENING:** *Mid- to late October.*

**HISTORY:** *Documented in Philadelphia in 1804 as a cider apple, but was known earlier in prerevolutionary Virginia.*
